

Mrs. Rosenfeld With Her Children And Mother-In-Law

My father had five brothers and sisters: Izidor, Rozsi, Ida, Frida and Zseni. Zseni's husband, Mendel Rosenfeld, was a stiller at the distillery in Iklod.

This Rosenfeld was original from Szaszregen.

They were four brothers: Mendel Rosenfeld, Lajos Rosenfeld [his children with wife and mother are in the photo], Karoly Rosenfeld and Jozsef Rosenfeld, we called him Puju.

They had a sister, who was married in Petrozsény.

On the right margin of this picture that's Mrs. Rosenfeld as widow, while the other woman is one of her daughters-in-law, Lajos Rosenfeld's wife and her two children.
