

Rifca Kaiserman With Her Children At Iacobenit

We are here somewhere in Iacobenit.

In the front row you can see my brother, Pincu Kaiserman, at his left it's me, Rosa Kaiserman, and to the right is our sister Clarisa Tucarman.

In the back row is my mother, Rifca Kaiserman, and that man I don't know anymore who he was – a friend, some neighbour, or the owner of that house, we rented there. I don't know who took this photo.

My brother rests on a stick, which he himself sculpted, and he was very proud of it.
