

Mazal Asael's Wedding Photograph

This is the civic marriage ceremony of my husband Mois Asael and me in 1950 in Sofia. The three men on the right, Fiko, Zhak and Josif, are my husband's friends from Dupnitsa. My husband is the fourth from the right, I am next to him and next to me are my cousin Moni and my friend Beka. My cousin Moni is my father's brother Josif's son. The celebration after the ceremony was at my home on Stamboliiski Boulevard where I lived after my relatives' departure for Israel. I went to live in my husband's home on Sofronii Vrachanski Street in Sofia after the wedding.
