

The Inscription On Matilda Cerge's Photo Album

This is the inscription in the photo album that was given to me by mother's sister, Justina, to fill with nice pictures. I filled it with family pictures that I liked from my earliest childhood. I took it with me during the war. Of course I looked at them during the war. Here it says "Tilkica 25.12.1938?". Before the war everyone called me Tilki or Tilkica. My sister they called Ela.
