

Back Of Photo Of Josko Kalef

This is the back of the photo of my cousin, Josko Kalef, was taken in Belgrade in 1932. He was the son of my paternal granduncle Avram Kalef. The family, apart from Josko's sister Regina, perished in the Holocaust. Here it reads: ?For long-lasting memory to my dear aunt from Josif, 14th May 1932. Josif, Belgrade?
