

Ilona Seifert's Mother Iren Riemer, Sister And Aunt Klara Beck Going To Cycle

This photo was taken in Budapest in the 1940s. From right to left: my maternal grandmother, my mother's sister Klara, my mother, my sister, and her husband. The group were going off on a short bicycle tour. I often went with them. We usually went on Sundays or holidays, because we didn't like riding in heavy traffic.
