

Agnesa Urbanova On A Ski Trip

This is a photo of me during a ski trip to Malinovo Brdo. The photo is from 1952. When I was a little older, I had hobbies. I did quite a bit of hiking, went to the gym, we used to play basketball, volleyball, do gymnastics and so on. We used to ride bikes, go hiking, on trips, we went skiing and in the summer swimming. We attended sports meets, and also had a choir. Later, in Ruzomberok, I had many, many such activities.
