

Dejan Petrovic, Suzana Petrovic's Son Wedding

Photo of my son`s wedding. Photo was taken in Belgrade Synagogue, 1996.

From left: me, my daughter-in-law Jelena, my son Dejan and rabbi Isak Asiel.

My son met his later wife in the Youth club of the Belgrade Jewish Community. They both live in Vienna, Dejan works for Centropa and Jelena for the Canadian Embassy. They had the first real Jewish wedding in Belgrade in such a long time, no one could even remember when the last one was.
